Everything you need, all in one place

Mineral Intelligence™

As your company grows or expands into new states, Mineral Intelligence™ will send proactive alerts to let you know exactly what steps you need to take to stay compliant—wherever you do business.

Core Courses

Boost your team's skills and engagement with Learn online employee training courses. Choose from over 125 courses, including compliance, human resources, customer service, professional development and more.

Smart Employee Handbook

Easily create a federal- and single-state compliant handbook available for immediate download. Should regulations change, applicable policies in the handbook will be automatically updated to keep you compliant.

Workplace Safety

Reduce potential hazards and liability while creating a safer workplace for your employees. Course work includes everything from personal protective equipment and ladder safety to hazardous materials, transportation and more.

Some solutions may require an additional subscription.
