## WHY USE IN-HOUSE COUNSEL ON DEMAND? WHY NOW?

Working with Paragon allows your law department to remain nimble, with flexibility to ramp up and down as business needs demand so you get the expertise you need, when you need it, without the expense of an outside law firm or the commitment of a full-time hire.

Our on-demand interim talent model is: (1) more cost-effective than hiring an outside law firm, (2) more flexible than hiring permanent employees, and (3) more sustainable than leaning on your existing team.
